CHECK YOUR ENGLISH
VOCABULARY FOR

PHRASAL VERBS AND IDIOMS

All you need to pass your exams

You may also see different vocabulary in headlines, with less common, but concise, verbs, such as bid, vow and spark. Parliament confirming new policies every day. Warlord decrees "Peace by Spring." 7. And while it annoys us sometimes, it is only for our good. Subtitles not only help you understand the pronunciation of several words, or help you understand a specific accent, but they also help us with improving our English. Leave out "to be" Residents unhappy about new road (Residents are unhappy...) Family of murder victim satisfied with court decision (Family of murder victim is satisfied...) 6. From fiction to non-fiction, from fantasy to autobiography, from weekly episodes to hour-long sessions, podcasts have it all. These books ensure that you know the rules of sentence formation, tenses, verbs, prepositions and more and can frame right sentences in English. Since this book is created for South-Asian students, it is a great choice for Indian learners who want to understand basic rules. Popular grammar books for students and their formats When it comes to grammar books or English reference books for school students, this one by Wren & Martin is one of the most popular names in India. Whether it is our mundane life or our digital persona, we all use English daily. We have a list of some popular grammar books that are said to be beneficial for school and college students. Image Source: Pexels.com Whether you are in school or college, it is never a bad idea to have a good grammar book to improve your English. Thus, we need to be pro at it. This grammar book can be another good and affordable choice to help you improve your English grammar. If you'd like to learn more about grammar rules in English, you'll find plenty more articles freely available on this site, and I always recommend Parrott's extensive book (aimed at English teachers), and of course there's the classic Strunk and White style guide. So, you can study as per your comfort level. To help you buy a good book online, we have a list of some of the most popular and affordable grammar books available in India. There are many additional style issues that certain newspapers use, for instance the capitalisation of every word, or joining conjunctions with commas instead of conjunctions. Therefore, a better alternative is a podcast. So what are you waiting for? are some examples of good songwriters. You go back five to six years, and you'll find only 1 to 2 percent of us know what a podcast is. But now, almost everyone knows about podcasts. The book has 350 pages and can be easily carried in your bag when you are travelling. This book is available only in a paperback format. This book even has techniques for solving various grammar exercises correctly. Lion recaptured earlier today. So, next time, don't fret over subtitles but make full use of them. Read: Word of the year 2021: Two iterations of 'vaccine', NFT amongst word of the year chosen by top dictionaries Read: 7 simple tips to ace your grammar skills 1. You will find subtitles in every movie, show, documentary, etc. Since it is not too thick, students can easily carry it in their bag and revise grammar rules on the go. A podcast is just a movie or a show; the only difference is that you listen to it. There are various genres that you can explore. Reading newspapers, comics, books, etc., not only improves your English, but also helps you improve your concentration, mental capacity, and opens your mind to various ideas. Parliament confirms new stray dog policy Lion escapes zoo If we want to demonstrate the result of an action, or that something was completed, we can use perfect tenses (e.g. it has done / it had done), and for changing events, the present continuous may be used (e.g. it is doing). Use infinitives for future events Using the infinitive (e.g. to do), a future time is not always necessary to demonstrate the future tense in headlines (and likewise, other future tense verbs are not needed). This will help you in assessing your knowledge properly. Here is another good grammar book that will help students in understanding various important rules in English grammar. But, it's not just limited to iPhone users. After understanding the concepts from this book, you can even buy the answer key of this book to know the solutions of various exercises. For students who are sound with basic grammar rules, it gets important to understand advanced rules to get perfect in English. This book has more than 100 units on different topics with 2 pages for each to help you understand the rules with relevant examples. But how? Well, in the subtitles, you can see where the commas, semi-colons, colons, etc., are used. It shows us sentence formation, use of articles, where to use adjectives, etc. With correct subtitles, you are learning how to communicate with others. Commas may also be used to join nouns (more common in American English). This is not just needed to make sentences but is also essential to understand the sequence of events while communicating with someone. Musicians or songwriters are considered to be some of the most creative persons with a good command of English. So, listening to English music, with good content, helps you grove with the English you need. This book has over 900 pages and is available in both paperback and digital formats. Replace conjunctions with punctuation Police arrest serial killer - close case on abductions Fire in bakery: hundreds dead As with reporting speech, commas, colons, semi-colons, hyphens and so on can replace all conjunctions, or some joining verbs, to join clauses. This is a set of 4 books with 300 pages to give sufficient knowledge to your kids in the initial years. 8. This book contains approximately 10000 sentences, 7000 solved questions, 7000 words and 550 exercises that will give you sufficient understanding and practice to improve your grammar. This way, you don't have to take out extra time to read. 2. Grove and learn Do you love to listen to music? Available with illustrations, this book can help your child remember tenses easily. DISCLAIMER: The Times of India's journalists were not involved in the production of this article. However, these tenses are often shown by using participles alone (e.g. done / doing). Writing books for kids that will help them practice well Tata CLiQ Sale: Up To 70% Off On Women's Ethnic Wear Maths books for competitive exams that will help you score well We live in the era of social media, where English has become a medium to communicate with each other. This includes leaving out other verbs such as comment, tell, argue, announce, shout - unless the act of speaking needs emphasising, for instance to demonstrate a promise or official policy. Leave out articles (a, an, the) Prime Minister hikes Alps for charity (The Prime Minister hiked the Alps) Man releases rabid dog in park (A man released a rabid dog in a park) 5. With colourful pictures, these books will ensure that your child is engrossed in learning and understands grammar rules with full attention. If you are looking for a grammar book that is suitable for both school and college students, this one can be a good option to buy online. Leave out auxiliary verbs With perfect (e.g. has done), progressive (e.g. is doing) and passive structures (e.g. is done), auxiliary verbs are not necessary (e.g. have, is). Use present simple tense for past events The present tense (it does) is quick and current, and helps emphasise the action happening, rather than its completion. As the title suggests, this grammar book will help you know all the basic and important grammar rules that you should know while writing or reading modern English. Explore here. Highly recommended for students, it is great if you focus on improving your grammar in the initial years of learning with the help of some good grammar books. Go for the right book as per the age group of the reader and improve your grammar easily at home. Read a book, newspaper, a magazine, etc. It will not only help you expand your vocabulary and improve your English but will also open your mind to a new creative spear. And, no one is asking you to read 20-30 pages. You cannot be good at grammar without being sound in tenses. Want to improve your grammar with the help of some good books? Divided into 4 parts, this book will let you study and revise systematically to improve your English in a few days. So, you can study as per your convenience. Well, it can also help you improve your English. Leave out "to say" Mr Jones: "They're not taking my house!" Bush on Iraq invasion: "This aggression will not stand." Reported speech is usually represented by a colon, or a hyphen, with the subject introduced with 'on...'. New policy decided by Parliament (New policy has been decided by Parliament) Lion escapes zoo - ten killed (ten people have been killed / were killed) Four stranded in sudden flood (four people have been stranded / were stranded) Temperatures rising as climate changes (temperatures are rising) 3. Seen any headlines you've particularly enjoyed, or any rules you're unsure of? Let's dive into these five simple and entertaining activities that can make you a pro at English in just a few months. 1. Back to basics When we were kids, our parents and teachers always told us to read. The 8 rules here are the most common and consistent used for headline grammar, however. So, make a playlist of their songs, and let English flow through your ears. 3. The era of podcasts We have all heard about audiobooks, but an audiobook can sometimes become too long to finish. Similarly, changing events are represented by the present participle on its own. So, it is helpful for students studying in schools or preparing for various competitive exams. You can start to listen to a podcast even now. You can listen to numerous podcasts on Spotify too. 4. The aid of subtitles We are not alien to the format of subtitles. If you are a student who wants to score good marks in various competitive exams or write better essays, this grammar book can be of great help to you. You can start with just five pages, and slowly you can increase your capacity to read more. Read a few pages before sleeping or while travelling. Use figures for numbers 9 dead in glue catastrophe 7 days to Christmas - shoppers go mad As you can see, the grammar rules for newspaper headlines can lead to ambiguous headlines, as many words are implied and not written. So, you can give your eyes rest from your phones, tablets, laptops, etc., and invest some time in reading. The digital landscape has connected humans from one end to another of Earth. However, one cannot become a pro in a day; it is a long, continuous process. Being a self-reference guide, this book comes with answers that will help you test your understanding after you are done with practising various questions. This book is apt for intermediate levels of English learners and covers all grammar lessons that you need to know at this level. This book has around 400 pages and can even be used as a complementary book along with your regular classroom book to solve more grammar exercises. Looking for more grammar books? If you want to buy a set of grammar books for little kids, this one can be an affordable set to consider. 2. Suitable for kids between the ages of 5-10 years, this set will help you ensure that your child has a strong base in English grammar. However, in today's never-sleeping world, one can improve English with just a few simple tricks. So, what are you waiting for? Now, learning English or improving it is not rocket science and nor do you have to take additional hours from your hectic schedule to engage in different grammar books. Sure, grammar books do help, and there is no denying that fact. This affordable book is suitable for school students who are having a hard time in framing and transforming sentences based on tenses. Artists like Taylor Swift, Madonna, Kacey Musgraves, Mariah Carey, Olivia Rodrigo, Lady Gaga, etc. Besides making students strong with their basics, the book even helps in giving a detailed understanding of various topics in the subject. This makes some headlines appear to be in the past tense, when actually the headlines use past participles, or particles, not the past simple. This book has been thoroughly revised multiple times to offer more examples and exercises for your understanding. Parliament to decide new policy tomorrow (Parliament is to decide / will decide a new policy tomorrow) President to visit France for further talks (President is to visit / is going to visit France for further talks later this week) 4. Let me know in the comments below! The book has just 350 pages and is an affordable choice to buy online. Besides this digital edition, you can even go for the hardcover one if you prefer reading from the paper. Apple has its own app for Podcasts.
